

## Luxury living in the heart of the Orchard Road district

In the prime Orchard Road district, Singapore's most desired location, lies Orchard Scotts, a verdant and distinctly luxurious residential development. Nestled in 2.5 hectares of prime land, the breathtaking structure is designed skilfully by one of America's most acclaimed architectural firms, Arquitectonica. Equipped with tranquil waterscapes and award-winning landscapes, Orchard Scotts also has its own personalised service to complement its quality facilities, to give you the sybaritic lifestyle you desire.
