MD's Message

In 2010, LandPLUS have helped more than 500 expatriate families settled into their perfect home here in Singapore. I would like to thank our clients and business partners who have been instrumental to our corporate leasing team's success. The opportunities which have been made available by them and their belief in LandPLUS, have encouraged to us to go the extra mile to deliver one of the highest levels of service in the industry.

As part of our continuous effort to make "Settling Down In Singapore" easier and less stressful, we bring you the 5th Edition of our unique LandPLUS Residential Leasing Guide.

In this edition, we have updated the Singapore Mass Rapid Transit (MRT) transportation system to reflect the expansion of network across the island. Also in this edition, we would like to share with you the various housing options available on Sentosa Island and at the Marina Bay area. Sentosa offers a range of housing options from condominiums, landed properties (with and without boat berths) to luxury serviced apartments and villas at The Capella.

With our simple aim, we hope to deliver an outstanding personal service that would make your stay in Singapore memorable.
