

LandPLUS Cares

Place your housing needs in our hands. Our Agents are ready to fulfill your needs and desires by helping you find the most suitable property available. After all, the team behind LandPLUS is fueled by the passion and desire to excel in every task they undertake.

Our people understand the importance of helping you adapt to the way of living and working in Singapore. That's why even the smallest detail matters to us: from finding the right home for expatriates; to monitoring and scrutinising your company's policies & guidelines; to reducing relocation costs;
