Dear Lili,

Re: First Class! **Ginny Poh**

I am complied to write to you to express our delight in meeting **Ginny Poh**.

**Ginny** was recommended to us by friends Anne Gaelle and Paul Dreblow who she help to find a house..... Our new home is perfect and fitted our specifications exactly. **Ginny** has an exceptional ability to sense what her clients are thinking, she didn't waste time showing me properties which are not appropriate, worked with the brief that was given.
